

## Guidelines for Online Church Services for St. Philips

On Sunday's at the usual time of 10:30 AM, we will have Morning Prayer and on Wednesday at 6 PM Stations of the Cross via the online service of ZOOM. This is available either from the app on your phone or computer. You will receive an email stating the web address for you to click. The St. Philips website calendar will also have to link.

- ❑ The link for worship will open 15 minutes before the service. The microphone will be open for people to greet each other.
- ❑ When worship begins, all microphones will be muted except for those reading the service. This will prevent background noise and lag. Everyone can say the prayers and canticles privately.
- ❑ We will use recordings of St. Philips Choir to give life to the hymns without background jumble, feel free to sing along privately.
- ❑ After the service the microphones will be open again for a virtual fellowship time.
- ❑ Offering - Due to restrictions on income created by the Covid-19 and personal income, if possible for your unique situation, we are accepting offerings by mail and maybe online in the future. Mail address: St. Philips Church, PO Box 17521, Greenville, SC 29606.

---

Be prepared in advance by downloading the app, apparently creating an account is not necessary, but you can create an account with your name, email and password.

1. When you click the email link it will ask you to open in ZOOM, click yes, then you will go there immediately.
2. Then "Join with video?" Click yes or no if you don't want to be on video.
3. Call using Internet audio" Click, yes, we will mute your microphone or you can mute yourself.
4. You are in the meeting!

Otherwise you can still click the prompt to "Join a meeting", and then instruct you to load the app by clicking a line. It will then ask for the ID number of the meeting (found on email).

---

Download the app before Sunday and you call me for help if you need it, 828.817.5305, anytime or 30 to 15 minutes before the meeting.
